

# FIDO Alliance RSAC Seminar 2025 Sponsorship Prospectus

Wednesday, April 30, 2025 | 1:15 PM PT | Moscone South 308

Now in its 4th year, the FIDO Alliance annual seminar attracts 300+ cybersecurity professionals looking for the latest news on FIDO standards, passkeys and how they fit in the IAM and digital identity ecosystems.

For 2025, the FIDO Alliance seminar will take a broader lens, covering the state of passkeys from the perspective of securing the account lifecycle with usability in mind. It will feature sessions on: the state of passkey adoption and implementation best practices; adjacent areas within the lifecycle such as identity verification, session security, account recovery best practices; and touch on some broader topics such as identity wallets.

Sponsor the seminar and be front-and-center with all seminar attendees, as well as the several hundred visitors to the FIDO Alliance booth, through thought leadership, in-booth and in-seminar branding, and 1-1 follow up opportunities.

Sponsorships are limited, so sign up today!
